**PETITION TO RESET PERIOD FOR REPLY**

Dear Sir:

Petition is hereby made to reset the period for reply to the Office Action issued by the USPTO in the above-identified patent application on April 5, 2006. The petition is made for the reason that the undersigned attorney of record never received the Office Action at the address of record. And, the undersigned attorney of record only became aware of the Office Action through an online search on private PAIR.

On March 6, 2006, the undersigned filed an Amendment and Response and a Request for Continued Examination.

On August 18, 2006, personnel of the offices of the undersigned checked the status of the application on private PAIR and discovered an Office Action had issued on April 5, 2006. The undersigned never received the Office Action by mail.

On August 18, 2006, the date at which the undersigned became aware of the Office Action, a substantial portion of the six month period for reply had already passed.

Accordingly, grant of this petition is believed to be proper.

The Commissioner is hereby authorized to debit Deposit Account 50-2032 for any fees associated with the filing of this petition.

Respectfully submitted,

/robert h. kelly/
